Our record of success includes advising manufacturing companies, manufacturer of speciality chemicals for construction and industry and Big Five professional service and consulting firms. We combine Business Consulting Expertise with Interim Management Skills. This leads to very strong transformation projects. Our approach is multi-level:

- We listen to our clients and ask key questions
- We carve out the challenge
- We define the target stage
- We actively manage our client to the solution
- We control the transformation

With this field proofed structural approach we help all our clients to inevitably contribute to their success. Our company mission is definite and consistent since we were founded. A number of our accomplishments include:

- Achieving market recognition of the firm's reliability, professionalism and accountability in all the services we offer.
- Creating a working environment that demands integrity and stimulates entrepreneurial spirit, together with a deep sense of responsibility for our clients.
- Concentrating our energy on maximizing our potential and maintaining our competitive advantage.
- Ensuring long-term growth and consistent profitability.

Our successful track record is the result of the skill, dedication, vision and creativity of our people. They ensure that we continue our mission to excel our expertise.

In Switzerland, we hold an exclusive network of independent management consultants, change management, leadership and finance experts to offer the highest level of quality of advisory services. On a global base we are chosen by International Referral (IR) to be the exclusive Member for Business Advisory Services in Switzerland.

We are more than delighted to win this prestigious international award. It recognises all the hard work and time we have invested to build up and maintain a brand in a highly competitive market. Our brand is our promise: creating utmost value for our clients based on our principle of absolute integrity, diligence and responsibility. We owe this success to all of our clients.
